Exhibitors Key Information Guide

Please read carefully this exhibitors guide before your involvement with **The UK Wedding Event**.

Our office number (0113 8214544) will automatically divert on-site at **York Racecourse** during the course of weekend should you need to contact us.

When can we setup our stands?

You can either setup on show day (**Sunday 19th October 2025**) or you are welcome to come through the day before (**Saturday 18th October**) between the hours of **12pm - 6pm**.

The building is locked overnight with on-site security but it should be noted that goods left prior to the event are done so at the exhibitors' own risk.

We would ask all indoor exhibitors to park on both days at the back of the building (**trackside**) as the courtyard area must kept free for outdoor exhibitors, who will be positioning themselves too.

Bright and early start on Sunday morning!

All exhibitors intent on setting up on the event day itself will be permitted into the **Knavesmire Stand** from **7:30am** onwards. We advise an early arrival so you are not rushing around when visitors are coming in for the **10:30am show start time**.

Our staff will be available at the venue to help unload and direct you to your exhibition space.

A badge stating that you are an exhibitor with **The UK Wedding Event** will be issued and left in your stands prior to your arrival on the **Sunday** and must be worn at all times for identification purposes.

Exhibitor Parking/Unloading

Indoor Exhibitors are advised to use the parking facilities behind the **Knavesmire Stand** for speed and ease of access when unloading equipment on **BOTH** days.

Use **Gate 9** on **Racecourse Road** for the purpose of accessing and exiting the venue. The barriers will be lifted to allow entry.

As mentioned previously, please **DON'T** leave any vehicles in the front courtyard as this area is strictly reserved for outdoor exhibitors and **York Racecourse** are particularly keen to ensure that this is enforced on health and safety grounds.

Additional parking spaces are also available in **Car Park C** and **Car Park D**. These locations may be more suitable if you don't have a lot of heavy equipment or display materials to transport.

SAFETY BRIEFING/FAQ

- We have kept in place some of the operational changes we first introduced in response to the pandemic with revisions to our floor plan and the continuation of tickets allocated for different time slots in an effort to better spread the volume of people attending.

This decision has proven particularly popular as exhibitors have found that they are able to chat to more potential customers throughout the day.

- A single power socket will be provided for any supplier who has ordered a mains connection, but be careful not to overload. A hair stylist for example running straighteners will need an upgrade.
- Please ensure that all of your equipment and furniture is kept within the confines of your shell scheme to comply with health and safety policy.
- You connect to the internet for free on the day by using the **York Racecourse network**.
- Food may be purchased from the refreshment area within the **Knavesmire Stand**.
- Toilets are provided around the hall.
- Event organiser **The UK Wedding Event Ltd** are not liable for any theft, damage or loss of any displayed items at this event, unless it is a result of negligence by one of our staff.
- All Outstanding Balances **MUST** be settled in full before show commencement. Payment can be made via BACS, Cash, Paypal or Debit / Credit Card.
- If you require use of a table on the day and have not pre-booked you can hire one at a cost of **£26.40 (inclusive VAT)**.
- **Table cloths** will **NOT** be provided by the organisers, so remember to bring your own for this event.
- Chairs or additional small round tables can be provided on request.
- **Outdoor exhibitors** will be advised on their exact positions upon arrival. Please don't park anywhere as you may be asked to move.
- Exhibitors are **not permitted to sell food & drink** on site at **York Racecourse** due to a centralised catering contract at the venue. You can give away samples, but no payment can be taken.
- The event is scheduled to **finish at 3pm** although we could run over if the Events Hall is still busy.
- **DO NOT START TO CLOSE DOWN YOUR STAND EARLY** as it is a breach of health and safety regulations. Such behaviour doesn't look good to our visitors attending the event and will also have a negative impact on suppliers nearby.
If you do see anyone packing away early without consent, immediately inform a senior member of our staff to take action.

Dressed for Success!

We often get asked how best to dress your shell scheme stand and our advice is always the same. Make your stand reflect your personality and business, as well as making the best use of the space you have available.

The more effort and love you put in, the better the impression you give off to potential customers.

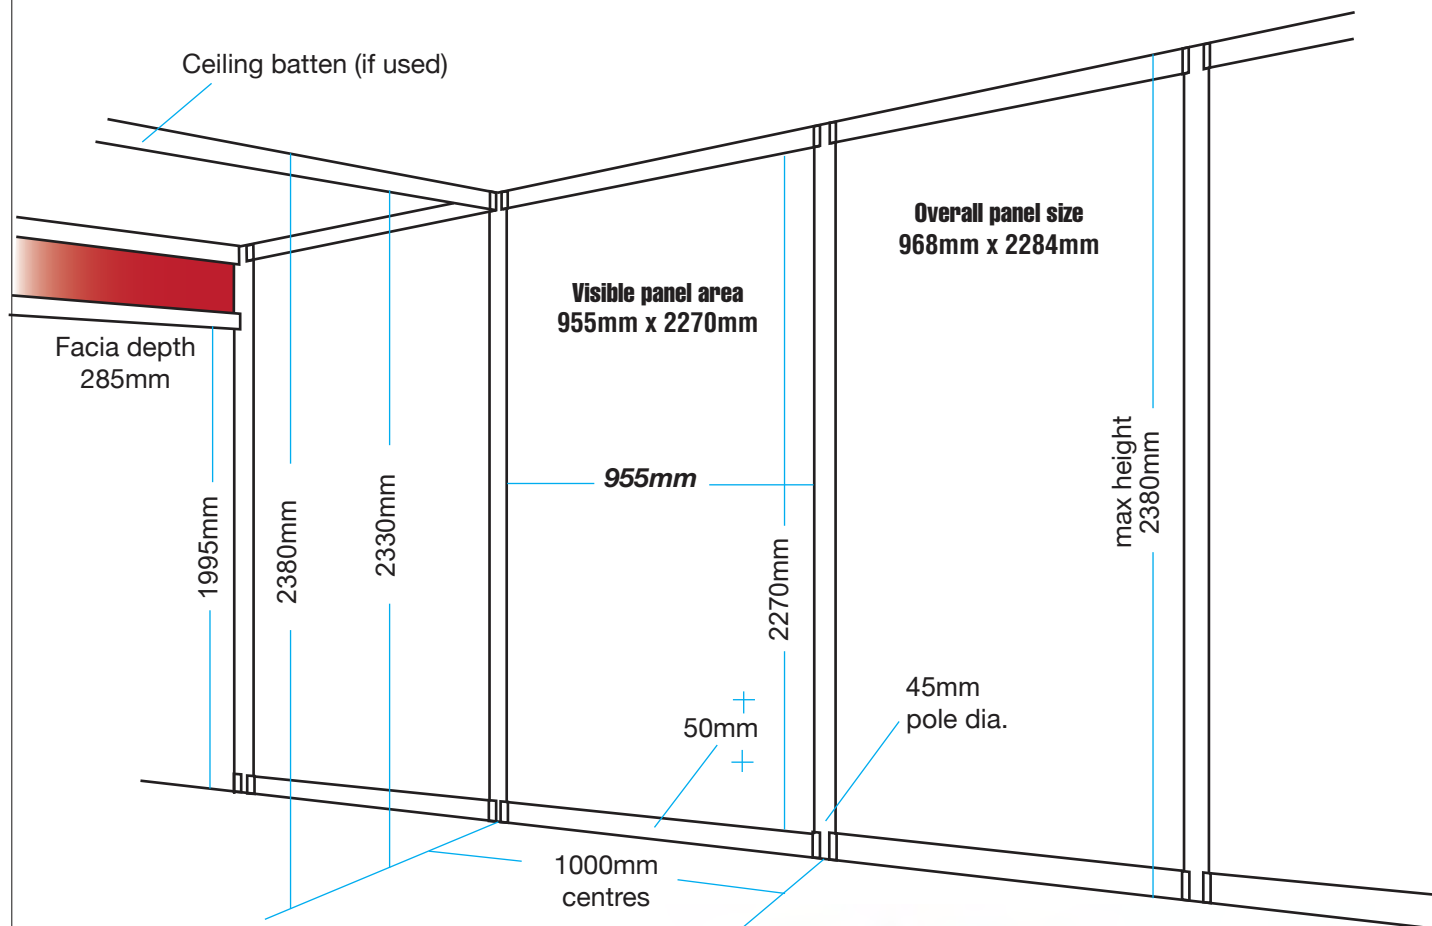

Don't arrive too late, and then have to run around getting setup. Make sure you arrive at the venue in good time to ensure that you are ready for the start.

Use pop-up roller banners, posters, and even drapes or throws to make your stand look the part, but above all else, enjoy yourselves and get chatting!
